

MRI Radiographers

Dr Jones & Partners has opportunities MRI Radiographers to join our dynamic team.

Dr Jones & Partners is a leading private Medical Imaging practice with clinics set in large Private Hospitals and Research Centres. This is an opportunity to advance clinical skills and MRI applications in both the Clinical and Research Streams.

Dr Jones & Partners offers a modern fleet of 3T and 1.5T MRI systems. Our fleet has a variety of Full and Partial Medicare rebated MRI systems as well as Non Rebated systems. This ensures a comprehensive coverage of all your scanning needs and development opportunities.

The successful applicant will be required to participate in the shift roster, including weekends.

Core Competencies:

- Demonstrated ability to perform high quality MRI examinations employing techniques to the accepted industry standard or above.
- Excellent interpersonal skills and demonstrated ability to communicate effectively with patients, staff and other medical and non-medical personnel.

- Self-motivated and committed to ongoing professional development.
- Good organisational skills and demonstrated ability to manage multiple tasks.
- Ability to adapt and respond to change.
- Familiarity with RIS/PACS.
- Must be able to work shifts and weekends.

Qualifications:

- A qualification in Medical Radiography to meet the standard for membership of the ASMIRT.
- National registration with AHPRA.
- Level 1 MRI accreditation.
- Post Grad studies viewed favourably.
- Attractive remuneration and conditions are available commensurate with level of experience.
